Completed in 2019

## About Me

Highly skilled Full Stack Developer with expertise in Java, HTML, CSS, JavaScript, and React JS. Strong problem-solving and decision-making abilities coupled with excellent communication and multi-tasking skills. Observant and detail-oriented, capable of quickly adapting to new technologies and environments. Completed a Full Stack Development program at Masai School and obtained a B.C.A degree from Pune

## Projects

### BlueFly.com (Clone)

2023 - Unit-4

Developed a Bluefly.com clone project during a 4-unit Construct Week using HTML, CSS, and JavaScript. Successfully replicated the core functionality and design of the Bluefly.com website. Demonstrated proficiency in front-end technologies and attention to detail in recreating the user interface. Collaborated with a team to ensure smooth project execution and met all project requirements within the designated timeframe. This project showcases my ability to work effectively in a team, follow project specifications, and deliver high-quality results.

### ShopClues.com (Clone)

2023-Unit-5

Designed and developed a ShopClues.com clone project, showcasing advanced skills in HTML, CSS, and JavaScript. Successfully replicated the key features and user experience of the original website. Implemented dynamic product listings, search functionality, and a seamless checkout process. Collaborated with a team to ensure efficient project management and timely completion. This project demonstrates my ability to create responsive and user-friendly e-commerce websites, while also highlighting my teamwork and problem-solving skills.
